What We Offer

Glass shower solutions for residential and commercial bathrooms — sliding, fixed and hinged systems, ready for fast contractor turnaround

3/8" tempered safety glass panels and fully-assembled shower enclosure systems

Contractor-grade hardware including hinges, clamps, handles, rollers, seals, U-channels and accessories

Why Choose Us

Easy Start Program

Start with a single project and compare our pricing, availability and support

Same-Day Pickup

Most standard stock items ready for same-day pickup at our North Miami warehouse

Standard Sizes Always in Stock

No lead times.
Simple ordering

Local Miami Inventory

Fast pickup, responsive communication and consistent stock availability

Trade Program

Competitive pricing and terms for repeat clients, designed to support lasting relationships

After-Hours Response

We know job sites don't run 9 to 5. We're always on call

How We Support Your Projects

01

Quick Quote

Most contractor quote requests answered within 15–30 minutes during business hours.

02

We Speak Contractor

Send us opening sizes, finish and door style — we'll handle the rest.

03

Reserved Inventory

High-volume partners can reserve stock access on popular configurations.

04

Stock Alerts

Preferred partners receive updates on incoming inventory and popular stock sizes.

05

Express Replacement

Priority replacement support for damaged or missing components to help keep projects moving.

06

Protective Packaging

Carefully packaged to minimize freight and job-site damage risks.
